Fall COAT

The fall COAT (Community, Orientation, Assessment and Training) program, New Mission System's class of new missionaries preparing to serve around the world, was our largest training class ever. Very soon these new missionaries will be serving in Bulgaria, Central Asia, Cambodia, Costa Rica, Kenya, Mozambique, Thailand and at our Center for Global Outreach in Fort Myers. This fall I (Bob) have been very involved with this group in teaching and counseling. Anne helped with mentoring this class. It has been very fulfilling to see God transform lives and lead this wonderful group of people.

Mentoring and Counseling

Most of my time each day is spent meeting with missionaries and missionary couples to counsel and mentor them in person or by phone. I occasionally get calls late at night or in the middle of the night from people going through crisis situations as well. Through counseling, these missionaries are then able to minister more effectively as a result. One example is a young man named Cole. Cole is currently serving in Kenya with NMSI missionaries Japheth and Ruth Simiyu. He assists Japheth in church planting and teaches at a local secondary school. I began counseling Cole in January and have continued to counsel him at least once a month by phone while he is in Kenya. God is transforming and touching individual lives.

“Mild mannered Bob is actually a one-man therapeutic community. People magnetize to his office and home in droves, knowing that they

can break down or melt down and find God's healing in his presence. It just happens. His phone rings 24 hours a day from all over the world. There are now missionaries everywhere who are thriving, because they carry Bob inside them. He shows us the Father and is a joy to watch.”

Ministry in Tegucigalpa, Honduras

On November 4, NMSI's ministry in Tegucigalpa hosted a training conference for pastors and church leaders from all over Honduras. The theme was evangelism. As a result Gloria DelCid, our missionary in Honduras, was asked to speak to two other groups of pastors in November on the topic of evangelism. Gloria has also been leading Bible studies for 30 teachers. She has been invited to lead studies for the staff in three schools next year. We are very excited about what God is doing in Honduras. Please pray for Anne in her role as the Field Advisor for Honduras.

Our Exchange Student

This fall we said “yes” when asked to consider hosting an exchange student from Germany for the entire school year. We are now getting to know Nils. There are lots of joys and challenges as he is now a part of our family. Matthew has a new brother and we have a new “German son”.

Thank you for your continued prayer and financial support of our ministry. We greatly appreciate your involvement in our lives! We are very thankful for the many ways God has blessed our family and our ministry.
